My name's Sena! I am 23 and come from Turkey, I studied Child Development at the University of Selcuk. The KreaMont has given me the possibility to work with children and a chance to discover a whole new, fascinating world to me: The Austrian/European culture/society.

Montessori has always caught my attention during my studies. From my point of view, giving children the opportunity to develop their own abilities and ideas, and explore the world in their own ways, is perfect to maximize their brain development. Seeing that made true in the KreaMont, where children are encouraged to follow their dreams, has really motivated me. Now I know for sure, I want to become a Montessori teacher! Being part of the education of these children has been amazing!

I learnt new things everyday. While I was helping the kids, they were helping me with the language. They have pure, beautiful hearts! Wonderful. Our kids parents, our team, were always kind and supportive. Even 2000 km away from home I never felt alone. For that I am very thankful!

Liebe Kreamont Familie! Ich bin Víctor, der Spanische Freiwillige (:

Meiner Meinung nach geschieht alles im Leben aus einem bestimmten Grund und diese kleine

Oase kennengelernt zu haben ist natürlich kein Zufall gewesen. Ich bin sehr dankbar, dass ich eure liebevolle Atmosphäre genießen konnte und dass ihr eure Ansichten der Welt mit mir geteilt habt. Es ist ermutigend, zu sehen, dass es Menschen wie euch

noch immer gibt, die an die Liebe glauben, im Frieden leben und anders denken. Danke für alles, was ihr mir beigebracht habt, diese Lektionen werde ich niemals vergessen.
